

2015-2016

### ICRS Students' After School Plan

Please write in your child's/children's after school plans each day of the week. ICRS realizes that after school plans could change. If that is the case, please revise or fill out a new after school plan for long term changes. For the safety of your child/children and the liability of ICRS, if the after school plan changes for isolated occurrences, please provide a note the day of, or call or email the office by noon.
