

**Students in grades 6**

**- 8 can pick from three ICRS sports teams this September and October: soccer, volleyball or cross-country. All skill levels are welcome!! Twenty-six students said they would like to play co-ed soccer, and Kurt Dilworth agreed to coach. Because this is a new sport for our school, we will need to purchase jerseys, balls, and goals. Donations to the sports program are welcome and appreciated! Twenty girls are excited to play volleyball, and a few students said cross-country was their first choice. If you would like to coach volleyball or cross-country, please contact Trisha Van Selus at [vanselus@icrsweb.org](mailto:vanselus@icrsweb.org). Go Spartans!**
