We know that guidelines from the CDC and the state change with new information. We will plan with the information we have at hand now, with the understanding that we can always scale back.

Immaculate Conception Regional School follows the lead of the Office of Catholic Schools and operates under the jurisdiction of the Washington State Board of Education. The Board of Education works in tandem with the Office of the Superintendent of Public Instruction (OSPI). (See the OSPI guidelines: [Reopening Washington Schools Planning Guide](#).) During Covid-19 I am also in close communications with the Skagit County Department of Health (DOH).

**PRAYERS.** Please keep Mrs. Wade and her family in your prayers. Her mother, Eileen Renner, passed away on June 23 and will be among the communion of saints praying for her loved ones here on earth. The staff are purchasing gas cards for Mrs. Wade as she continues to travel between her home and her parents' home to provide much needed support. School families can mail cards of condolence and support to the school (Attn: Mrs. Wade) during the month of July.

Peace and love,

Principal Rodrigues
