

# ICRS Fall Planning Meeting Notes

## Health and Wellness

- Research mask or mask alternatives to meet CDC guidelines
  - *The Department of Health (DOH) was emailed clarification on July 8 regarding the following*
    - *Determine school options regarding masks, shields, and barriers.*
    - *Seek clarification regarding spacing students in the classroom and ability to share common spaces.*
- Healthy environment/response to sick person
  - *Ongoing.*
- Social & emotional well being for students and teachers
  - *Local counselor is creating information packets and lessons for both parents and teachers to support social and emotional well being.*
- *Examine possibilities of providing extracurricular options such as athletic teams, chess, Lego club, violin and world languages*
  - *We anticipate direction from our letter to DOH sent July 8.*

## Schedules

- Weekly and daily schedule options
  - *Ongoing.*
- Space in the different classrooms
  - *Each classroom has been measured and diagrammed to best social distance students in each room.*
- Determine which grades will get which rooms
  - *This conversation has begun but will not be complete until enrollment for fall is finalized.*
- Interaction of kids in the classroom while meeting the six foot social distance requirement
  - *Seeking clarification from the DOH.*
- Assess current enrollment for each grade level
  - *Ongoing.*
- Determine the role of specialists in the new school year
  - *More information will be gathered from the DOH.*

## Technology

- Research plans to seamlessly transition from on-site to remote learning if needed
  - *Identify platforms for elementary and middle school separately.*
  - *Identify options to sync live-streaming with live class instruction.*
    - *Testing recommended concepts will begin on July 14.*
- Train students on appropriate use of technology, including how to access and turn in work on-line as needed
  - *Identify other essential skills students need to work remotely and how to implement teaching those skills.*
  - *Identify students that will need extensive training during the first week of school.*
