

6th Grade Classroom Supplies

2020-2021

For home:

- 4 spiral notebooks
- Calculator
- Computer stylus
- Graph paper
- College ruled notebook paper
- Copy paper
- 2 boxes of pencil
- A few pens
- Set of colored pencils
- Access to a pencil sharpener and stapler

Please find a place at home where your child can set up their “Office.” It is okay if siblings and adults are sharing some of these supplies.

To bring to school each week for our cohort meeting:

- PPE
- Pencils, pens, colored pencils
- Spiral notebooks
- A few Ziplock bags
- Books or computer only if requested

This should get us started. We may need a few additional supplies as the year progresses.
