Thursday, Oct 22. 4:15 PM, Communications Meeting.

Monday, Oct 26. Wreath sale ends. 5:30 PM All-school parent Zoom meeting.

Dear ICRS Parents and Friends,

Immaculate Conception Regional School is excited to announce that two of our incredible teachers, Colleen Wade (Kindergarten) and Sarah Rutherford (7th Grade), have been named recipients of the SMAPE, William Dahlgren Award for 2020.

The William Dahlgren Award recognizes outstanding K-12 teachers for inspiring students in math, science, and engineering fields.

Mrs. Wade spearheaded the technological age in her Kindergarten classroom for the past 10 years. She procured a financial donation to purchase iPads for the classroom. These iPads are used for educational purposes in a variety of ways for both math and reading. She uses technology to teach, enrich, and remediate math and the language arts.

Mrs. Rutherford is recognized for her innovative 7th grade Washington State history/engineering road trip. Each year she takes her students on a four-day, three-night trip around the State of Washington. The idea is to have the students encounter firsthand the beautiful state we live in, as well as, opportunities to marvel at the many different engineering projects in Washington.

Congratulations to these two incredible teachers. And thank you to all our faculty for the amazing job they are doing educating our students during these unprecedented times.

Peace and Joy,
Principal Rodrigues
