## FEBRUARY

### A Note From The Teacher

Dear 4<sup>th</sup> Grade Families,

I am so excited to welcome back my class for four full days a week! We will spend time this week in class reviewing safety protocols and daily routines. Students have been very resilient this year, and I am very grateful for their eagerness to learn and follow procedures.

Below are important dates regarding spirit week, President's day, and MAP testing. If you have any questions regarding our return to full time learning, please let me know!
