MAY/JUNE

## A Note From The Teacher

Dear 4th Grade Families,

I cannot believe that this school year is ending, and summer break is almost here! There is still learning and projects happening in class, and fun planned to end our year!

I want to take time to thank all of you for a wonderful school year! I know this year has presented many challenges, but there has been learning and fun in fourth grade thanks to your continued support. ~Mrs. Jensen

## Contact Me

Thank you for a wonderful year together! If you have any questions, comments or concerns please contact me at:

## What We Are Learning

After MAP testing we will be wrapping up units and projects in all subject areas. In math, we have completed Angle Measures and Plane Figures and will end with Exploring Multiplication further. In writing, students have written an Opinion essay, and presented a "dream job" presentation to the class. We recently completed Poetry, Drama and Prose in Reading and will end the year reviewing major concepts, and assessing reading levels. During Science we finished a unit on External and Internal structures of animals and plants, and will end the year with mini explorations. For Religion, we are discussing how God is Faithful and reviewing the Liturgical year.

I also have one more cross-curricular project planned to complete 4<sup>th</sup> grade!

## At Home

As we prepare for the end of the year, please plan to return Chromebooks, chargers and library books in June. I will send out more information next month. Thanks!

## Reminders

MAP testing will be next week, May 24-28<sup>th</sup>. Fourth grade will test in Reading, Language and Math. Please have your child get a good night sleep, and eat breakfast so they come to school feeling rested and ready. I will be providing snacks and gum. If you know that your child will be absent next week, please contact me. Thank you!
