EMPLOYMENT AT ICRS.

ICRS is seeking the following positions: (To view the job description and apply, start here)

- Part time Band & Music Teacher
- School Bookkeeper
- Marketing & Development Director

Mr. Veltri has accepted a development position with the Boys and Girls Clubs of Snohomish County corporate office and will be transitioning out of the Director of Marketing and Development at the end of May. In his short time at ICRS he was instrumental in the creation of our full-day preschool, which created immediate childcare opportunities for our families and revenue gains for the school. ICRS student applications are at a two year high and we are happy to announce that ICRS enrollment will increase for the first time since having our online application. The auction saw record proceeds in each of his two years as chair and family fundraising has been streamlined with more families participating this year than ever. By writing several grant applications, grant awards are currently over \$95,000 with more to come (fingers crossed)! Along with numerous school videos, social media management, and community building pieces his time at ICRS has been a success. We wish him well! Happily the Veltri children will continue to attend ICRS and we will continue to see him as a parent volunteer.
