

Dear First Grade Parents,

We will be continuing to work with fractions in Math: halves and fourths. Students have been bringing home their supplies from school gradually. All supplies, except for their pencil box will be brought home by next Wednesday.

Here are some important dates coming up:

June 10th: Field Day and Talent Show! Free Dress!

17th: Last Day of School!

God Bless you all and have a wonderful week!

Mrs. Twedt
