Dear ICRS Parents and Friends,

AN OUT OF THE ORDINARY YEAR IN PICTORIAL REVIEW

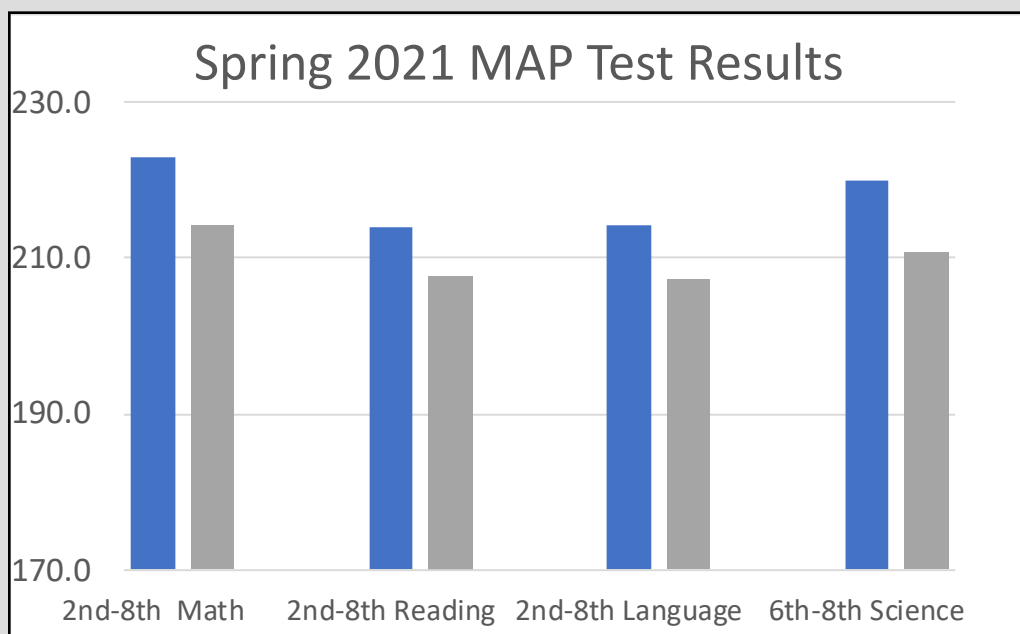

ICRS MAP SCORES

ICRS 2nd – 8th graders participated in the MAP test at the end of May and early June. Our spring results show that ICRS student growth exceeds performance of schools nationwide who took the same test in the spring. Thank you students for your doing your best. In the graph below, **the BLUE bars represent ICRS averages**, the **GRAY bars represent the national average**.

THANK YOU TO...

Have a fun, safe and blessed summer. See the attachment for a list fun ways to help children retain what they learned this year.

Peace and Joy,

Principal Rodrigues
