THE ICRS MINUTE

A BI-MONTHLY NEWSLETTER BROUGHT TO YOU BY PRINCIPAL RUTHERFORD

PRINCIPAL'S MESSAGE

Dear Parents:

Parent-Teacher Conferences: In this week's Brown Envelope, you will receive the time and date for your child's parent-teacher conference. Please check the date and time and return the confirmation slip to school. A core belief at ICRS is that we are a community that works together to develop the whole child. Teachers want to hear your perspective on your child's progress-spiritually, socially, emotionally, and academically. They also want to share what they see at school and to work with you to help your child respond to adversity, gain skills, and grow into a thoughtful and confident servant leader.

Veterans Day Assembly: We are proud of our tradition of honoring veterans in our community. Please use the form in the Brown Envelope or in the quick links to let us know of any veterans you would like to invite to the Assembly on November 9 at 11:00 AM.

Accreditation survey: Please complete the ICRS Accreditation survey [here](#). We are hoping for 100% participation. Completing the survey only takes about 15 minutes and parents who complete this survey will earn one volunteer hour – it's a great deal!

Catholic Identity: Our next altar server club meeting is November 8th with a pizza lunch. We are delighted to announce that we have over 35 servers. Our servers will now be assisting with ICC funerals, and we encourage them to serve at their home parishes. It's not too late to join – just come to the meeting.

Reminder: Don't forget to sign up for the ["Wait Until 8th" pledge](#)

-Sarah Rutherford

CALL FOR MEDIA

ICRS is excited to announce we will be producing a marketing and enrollment video for our school, and we need your help to build our media library. If you have video clips or pictures of ICRS students, parents or teachers, please contact Erin Kohlhaas at ekohlhaas@icrsweb.org. We're looking for content from sporting events, band performances, field trips, boosters events, etc.

STEM CLUB

STEM club will now be open to 5th and 6th graders: On Nov. 8, we are starting a new session. We have 18 open spots. Please complete the STEM contract, found in the quick links section or your brown envelope, to secure a spot. This is a wonderful (and free) opportunity.
