# THE ICRS MINUTE

A BI-MONTHLY NEWSLETTER BROUGHT TO YOU BY PRINCIPAL RUTHERFORD

## PRINCIPAL'S MESSAGE

Dear Parents:

It's time to get ready for the ICRS Jog-a-Thon on Thursday, April 25, at 1:30 at the MVHS track. This is the final fundraiser of the school year, and 97% of the money you raise goes toward your fundraising commitment. Please visit our event page [HERE](#) to find your student and pledge. You can send this link to family and friends who may want to sponsor your child. We need volunteers to help make this event a success. Please check out volunteer opportunities [here](#).

Speaking of fundraising, don't forget SCRIP. It is a great method because you can earn fundraising credit on items you already purchase, such as gas and groceries. Starting in May, all SCRIP that you buy goes toward next year's commitment. Start early and avoid having to pay extra next year. If you haven't used SCRIP before, enroll [here](#). The ICRS enrollment code is 6499C2CL58L7.

***Your volunteer hours and fundraising for 2023-2024 are due May 1st. In your May 9th brown envelope you will receive a statement with your school year totals. Please contact [frederick@icrsweb.org](mailto:frederick@icrsweb.org) with any questions. On May 30th any unfulfilled volunteer hours and fundraising will be charged to your SchoolAdmin/Finalsite account.***

Get your volunteer hours by helping paint and clean up the campus on April 20th, from 8:30am-2pm. Sign up [here](#) or just show up to help. Also, if you know that you are going to volunteer in May and want those hours to count for 2023-2024 school year, please put those hours on your volunteer record sheet due May 1st.

## PRINCIPAL'S MESSAGE (CONT.)

Uniform and dress code: As your children grow and you replace uniform items, please stay true to our uniform policy. Two things that I notice are shoes and pants that don't follow the code. Shoes need to be primarily white, blue, black, or brown. Pants need to be twill, not stretch, and no cargo style. Sweatshirts should be clean and without holes. Thank you for helping our students look sharp!

Thank you to the Ancheta family and Father Tom for leading the blessings of our Tiny Forest planting day. And thank you to Mr. Bell and the middle school for organizing and planning the event. For media coverage of the event, please see the NW Catholic article [here](#) and the Skagit Valley Herald's article [here](#).

O'Connor Photography will be at ICRS on Monday, May 13, to take Class Group Photos. All students will be photographed in uniform with their class. If you would like to pre-order pictures, please use this link: [ORDER](#)
